**GENERAL MEETING**

The Swansea Town Council held a Special Council meeting at the Swansea Town Hall 320 West Third Street, Swansea SC.

Mayor Jerald Sanders, called the meeting to order at 6:30 p.m., confirming the media was notified and the agenda had been posted at town hall and the police department.

The Mayor indicated the meeting purpose was for the approval of the lowest bid for the RIA project.

Rick Bryan reviewed, the purpose, RIA required we rebid the project because of the age of the contract. It was posted on the state website and bid opening the 20<sup>th</sup>.

The overall package with Ezra Jumper Road in project, our lowest bidder was CBG. If we took out Ezra Jumper Road, the low bid becomes Stucks and Williams because of what they charge in that section, both contractors are viable companies.

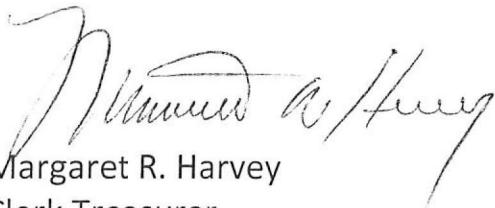

We need to approve the low bid, so that we can get the contracts in. The start date will be February 5, 2019. Several other steps need to be completed before that date, the bond, insurance and contract. Bond Referendum, first and second reading and information to RIA for approval to get started.

Stuck and Williams being the lowest bid Councilman Martin made a motion to accept his offer and second via Councilman Davis. The motion carried for approval for Stuck and Williams.

January 14 will be the next regular meeting because of the holiday and the same with February 11<sup>th</sup> monthly meeting.

A motion to adjourn via Councilman Martin and second by Councilman Davis.

Respectively Submitted,

Margaret R. Harvey  
Clerk Treasurer  
Town of Swansea
